Profile

Enthusiastic and dedicated Software Engineering student with a strong foundation in computer science principles and a passion for developing scalable applications. Proficient in C++, JavaScript, and Python, with hands-on experience in React.js, Node.js, and RESTful APIs. Eager to contribute to real-world software challenges by leveraging full-stack development, DSA, and problem-solving skills.

Education

B.Tech in Information Technology, Bhagwan Parshuram Institute of Technology (GGSIPU),

July 2026

Class XII (CBSE), Kendriya Vidyalaya

Projects

FoodLink — Full-Stack Web Application

- Developed a responsive food ordering and management platform using React.js and Tailwind CSS.
- Implemented user authentication, menu display, and cart/order management to ensure a seamless user experience.
- Designed and integrated RESTful APIs to enable secure communication between the front-end and back-end.
- Focused on clean UI, responsive layouts, and efficient data handling for improved performance.
- Demonstrated proficiency in modern full-stack development, front-end/back-end integration, and UI/UX optimization.

TripEase — AI-Powered Itinerary Planner

- Built a dynamic website using HTML, CSS, and JavaScript to generate AI-powered personalized itineraries.
- Implemented collaborative trip planning features that allow multiple users to edit and approve itineraries collaboratively.
- Integrated a suggestion engine offering personalized recommendations based on user input.
- Enhanced usability with an intuitive interface and seamless real-time collaboration.

Certifications

- The Complete 2024 Web Development Bootcamp – Udemy

Technical Skills & Tools

Languages: Python, C++, JavaScript, SQL

Web Development: React.js, Node.js, Express.js, HTML5, CSS3, Bootstrap, REST APIs Databases:

MongoDB, MySQL

Tools & Platforms: Git, GitHub, VS Code, MySQL Workbench, MS Office

Concepts: Full Stack Development, OOP, DSA, CRUD Operations, Responsive Design, Database Design

Soft Skills: Problem Solving, Communication, Attention to Detail, Leadership, Self-Motivation, Growth Mindset
